

Development, Engagement & Leadership of Nurses on HIV related issues nationally and globally

*Monday, February 13 @ Noon
Room 009-Pinkard*

The **Center for Global Initiatives** is excited to host Carole Treston, MPH, RN, ACRN, FAAN, Chief Nursing Officer of the Association for Nurses in AIDS Care (ANAC). Ms. Treston will be discussing ANAC, her journey to this position, and the important role of nurses in health care and health policy both locally and globally.

Snacks will be provided
